Organizations & Websites

Equal Justice Initiative (EJI) https://eji.org/about/?gclid=EAlalQobChMI55Gn55uG8QIVVWpvBB2xaQEYEAAYASAAEgLa0vD_BwE

Committed to ending mass incarceration and excessive punishment in the United States, to challenging racial and economic injustice, and to protecting basic human rights for the most vulnerable people in American society.

Government Alliance on Race & Equity (GARE) <https://www.racialequityalliance.org/tools-resources/>

The Government Alliance on Race and Equity (GARE) is a national network of government working to achieve racial equity and advance opportunities for all.

Human Impact Partners (HIP) <https://humanimpact.org/>

HIP transforms the field of public health to center equity and builds collective power with social justice movements. They envision a society that centers health, healing, and belonging. They believe all people have power to shape the culture, policies, and systems that impact their lives.

Public Health Awakened <https://publichealthawakened.org/>

Organizing public health workers to use their voice, evidence, expertise, and resources to take collective action and build power so everyone can thrive.

Racial Equity Institute <https://www.racialequityinstitute.com/>

Alliance of trainers, organizers, and institutional leaders who have devoted themselves to the work of creating racially equitable organizations and systems.

Racial Equity Tools <https://www.racialequitytools.org/>

Tools, research, tips, curricula, and ideas for people who want to increase their own understanding and to help those working for racial justice at every level – in systems, organizations, communities, and the culture at large.

Race Forward <https://www.raceforward.org/>

Race Forward brings systemic analysis and an innovative approach to complex race issues to help people take effective action toward racial equity.

The Praxis Project <https://www.thepraxisproject.org/>

National movement support intermediary committed to capacity building for social change. Their emphasis is on developing fields of work in ways that encourage multi-level, trans-disciplinary learning and collaboration across issues, across the country, and across the globe. They work to center community and build power for health justice and racial equity so that our communities can thrive.

Other Resources

10 Essential Public Health Services <https://www.cdc.gov/publichealthgateway/publichealthservices/essentialhealthservices.html>

The 10 Essential Public Health Services (EPHS) describe the public health activities that all communities should undertake. For the past 25 years, the EPHS have served as a well-recognized framework for carrying out the mission of public health. The EPHS framework was originally released in 1994 and more recently updated in 2020. The revised version is intended to bring the framework in line with current and future public health practice around equity.

RACE: The Power of an Illusion <https://www.racepowerofanillusion.org/>

The online companion to the award-winning documentary series by California Newsreel discussing the origins, beliefs and consequences of what we call race.

Racial Equity Institute Groundwater Approach <https://www.raciaequityinstitute.com/groundwaterapproach>

Roots of Health Inequity <http://www.rootsofhealthinequity.org/about-course.php>

A free web-based course for the Public Health Workforce that provides an online learning environment from which to explore root causes of inequity in the distribution of disease, illness, and death. Funded by the National Center for Minority Health and Health Disparities, National Institutes of Health, its audience is primarily the local public health workforce. It seeks to ground participants in the concepts and strategies that could lead to effective action.
